

IVRS - A new facility for students – Instant information on phone

A new facility called Interactive Voice Response System has been created in our University for the benefit of distance education students across the country and outside India. This facility provides DDE students with instant access to relevant information over phone round the clock on all days including holidays.

In addition to general information (about DDE, Courses offered, Admission process), specific information in respect of individual students (Admission status, Fees payment & Dues, Course Completion Certificate) can be had on phone by dialing 0452 - 2459990 (or) 0452 - 2459596. Information can be had in English or Tamil or Hindi on all days. For student specific information, what is required is the Enrolment Number allotted by DDE at the time of admission.

Dial Now: 0452 - 2459990 (or) 0452 - 2459596
